

Opportunity for IT Student to Win \$100,000

IMAGINE CUP PAKISTAN 2019

Microsoft's Imagine Cup is world's leading premier competition organized by Higher Education Commission & Microsoft for HEIs in Pakistan. The competition focuses on providing a global platform to students from around the country, to showcase their talent and technological solutions that solve real problems in our society today. Each Year, a team is chosen from Pakistan that competes against the best from around the world, to **get chance to win \$100,000 USD**.

This year, Imagine Cup is live again and we encourage you to especially focus on getting your final year Students to go to www.imaginecup.com/pakistan and registering themselves, and their final year projects for a chance to compete in the Regional finals which are planned to execute in Jan-Feb 2019.

Deadline: 10th January, 2019
