

## **INSTRUCTIONS TO AUTHORS**

### **PAPER SUBMISSION GUIDELINES**

All manuscripts will be peer-reviewed by at least two competent reviewers (including one international reviewer from academically advanced countries).

Papers (research paper, short communication, review paper and book review in American English) are accepted for publication on the understanding that they are original and are not being simultaneously submitted for publication elsewhere, till the decision of the editorial board, which will be communicated to the corresponding author. Manuscript should be sent in triplicate along with soft copy of the manuscript through e-mail or on a CD to the Managing Editor, on the contact information given below.

### **MANUSCRIPT**

Manuscript should be typed clearly in 'Times New Roman' with 12 font size, paginated and double spaced on A4 paper (8.27" x 11.69") with one inch margin on each side. Research paper should preferably be 7 to 15 pages, while papers less than 7 pages may be considered as short communication.

First page of the manuscript should contain the title of the paper, full name(s) and designation/ position of the author(s) along with the institutional affiliation (abbreviations are not acceptable), and the name of corresponding author with the postal and email addresses and phone number(s). The research paper must contain "**ABSTRACT**", "**KEYWORDS**", "**INTRODUCTION**", "**MATERIALS AND METHODS or METHODOLOGY or MODEL**" (as suitable for the paper) "**RESULTS AND DISCUSSION**", "**CONCLUSION**" and "**REFERENCES**". "**ACKNOWLEDGEMENTS**" if any, may be given before references.

Tables and figures should be on separate pages, and the legends and titles must be sufficiently descriptive and understandable without reference to the text. Figures including diagrams and photographs must be in black and white. Colored figures can only be included if the author or any sponsor pays the cost incurred. Important formulae should be displayed by numbering consecutively throughout the manuscript as (1), (2), and so on.

The text citations can be like (a) with date in parentheses, e.g. "as demonstrated by Duraisamy (1992) "; or (b) with names and dates in parentheses, e.g. "according to recent findings Duraisamy (1992) "; (c) "Wright and Rajper (2000) "; (d) "as described previously (Wright and Rajper, 2000) "; (e) " Ansari *et al.* (2006) "or (f) "as described previously (Ansari *et al.*, 2006) ". If a citation has more than two authors, the first author should be written as followed by *et al.* where review of more than one authors are cited in the text that should be placed in chronological order, e.g. (Sato, 1961; Khoso, 1992). If more than one reference by the same author (s) published in the same year are cited, they should be distinguished from each other by placing a, b, etc. after the year.
