

DEPARTMENT OF AGRONOMY
SINDH AGRICULTURE UNIVERSITY, TANDOJAM
No. Agro / /of2021 Dated:

Research Fellows Required

The Australian Government funded project through Australian centre for international Agriculture research (ACIAR) to the department of Agronomy SAU, Tandojam. title of the project: “**Increasing profitability of pulses production in cereal based cropping system in Pakistan**” requires three “research fellows” for different field experiments. All the interested students of M.Sc (Agri) Hons. in Agronomy belong to the **batches 2K19, 2K18, and senior batch 2K17** who have not started their Master research submit their application along with CVs attested necessary documents/testimonials from Matriculation to last degree and 04 passport size photographs **on or before 15/01/2021** during working hours. The research fellows will be paid daily allowance @ **Rs. 1200/=** (Rupees one thousand and two hundred per day/visit only). The selected candidates will be paid daily allowance for working days from **20/01/2021 to harvest of chickpea crop tested under Pulses project**. They will be paid their allowance from budgeted of the pulses project only for that mentioned period. Afterward, their fellowship will automatically be terminated as per requirements of the project. **There will be no any financial liability on the part of SAU Tandojam**. The conditions and responsibilities of the research fellows will be as below:

01. Prepare synopsis for Master Research program under this project.
02. Field visits of their personal as well as other field trials of this project, maximum three visits in a week.
03. Collection, tabulation and analysis of data for all necessary parameters from all field trials.
04. Thesis write-up. The candidates will have to submit the thesis soon after the completion of the field experiments.
05. Presentation of field experiments at different forums whenever necessary.
06. Submission of monthly reports of all field trials to concerned authority.
07. The fellowship is purely on temporary bases for the period **20th January, 2021 to 30th June, 2021**. The selected candidates will have no right to claim for regularization of their fellowship either in the project or at SAU Tandojam. The selected candidates will be paid above given daily allowance for that mentioned period only.
08. A certificate of experience / appreciation for the” Research Fellowship” will be issued to the selected candidates after successful completion of the research fellowship.

Procedure for the selection of research fellows:

01. A written test will be held on **16th January, 2021**. The candidates who will qualify the written test, they will have to appear for interview on **17th January, 2021**.
02. The successful / selected candidates will be submit an “affidavit” for agreeing all conditions for this fellowship. The affidavits will be signed-in by two witnesses.

Prof. Dr. Aijaz Ahmed Soomro

Chairman, Dept. of Agronomy/
