1. The pre-admission test will be conducted in the respective faculty. The question paper will contain 100 objective-type questions (80% from the subject from the relevant field and 20% from general knowledge).
2. The candidate will be required to write his/her name, father's name, and seat number on the top of the answer sheet and rough worksheet.
3. Rough work must be done on the rough worksheet.
4. To attempt the test efficiently, the candidate must carefully follow the instructions given by the invigilator.
5. The invigilator will inform the candidate when to start work on any of the tests and when to stop.
6. During the test, do not talk, whisper, or turn your eyes or head away from your papers.
7. Any evidence of cheating or non-compliance of instructions will disqualify the candidate from the test, and his name will be removed from the list of the candidate for admission.
8. There will be no negative marking in all parts of the test.
9. When the invigilator says, stop, the candidates are required to stop writing and cover your test booklet with the large size card specially provided for this purpose.

Note: The candidate should not mark answers on the question paper. All answers must be written only on the answer sheet with a black ballpoint pen that has been provided to you.
